

# Becoming an inspiring leader

2023

A lighthouse on a rocky shore at sunset, with waves crashing against the rocks. The lighthouse is white with a black top and a glowing light. The sky is dark blue with some clouds, and the sun is setting behind the lighthouse, creating a bright glow. The water is dark blue with white foam from the waves.

When our team members are not just involved, but truly inspired, that's when our organizations really shine.
